I. Booking Guidelines and Procedures

1. The Grand Hall serves primarily as a teaching venue for centrally-timetabled lectures of the University, with Friday afternoons, Saturdays and Sundays normally reserved for cultural performance activities organized or endorsed by the University.

2. Booking priorities:-
   - 1st: University teaching and learning activities.
   - 2nd: Other University activities organized by University departments or units.
   - 3rd: Activities not relating directly to the University but organized by University departments and units, provided that such activities are not commercial or personal in nature.
   - 4th: Activities relating to education organized by external non-profit making bodies.
   - 5th: Activities not relating to education organized by external non-profit making bodies, provided that such activities do not infringe the law.
   - 6th: Activities organized by profit-making bodies, to be considered on a case-by-case basis, provided that the activities do not infringe the law. Approval is given only in exceptional circumstances.

3. In addition to the booking priorities listed above, bookings from schools / colleges below tertiary level and those from other external organisations who wish to host events for fundraising purposes are generally not considered. Applications for the use of Grand Hall from both internal and external users are considered on a case-by-case basis and on the principle that University activities shall not be affected by the functions. Bookings are normally accepted up to 6 months in advance. Late booking made less than 2 months before the event will not be considered unless in exceptional circumstances.

4. The completed application form must be returned to the Examinations Office, Room 1026, Knowles Building, The University of Hong Kong, Pokfulam Road, Hong Kong either by post or by email to roombook@hku.hk.

5. Rental Charges for the use of Grand Hall, as at July 2018, are listed below for reference only (the rental charges are subject to changes from time to time):
